ALUMETAL TURBOCHARGERS SA

Consumables

Expendable plastic material for protecting vehicles in garages and bodyshops.

BorgWarner Turbo & Emissions Systems

This is a complete range of top-quality products comprising everything the operator requires during vehicle repair: seat covers, paper carpet protection, steering wheel covers, body covering film in different versions, tyre bags and other articles on request.

Unlike other companies supplying such materials, Alumetal places at disposal customised products in different available thicknesses. This way, all requirements can be catered for, relating to both quality and price.

1 Seat covers

2 Rolls car cover sheet

3 Carpet covers

4/5 Steering wheel cover
