

**ALUMETAL
TURBOCHARGERS SA**

Turbochargers

Swiss company leader in the field of turbocharger importing and distribution.

For over 30 years, Alumetal has represented the ideal partner for all problems relating to the supercharging of engines of all kinds.

Our exclusive agencies and our direct contact with the five major turbocharger manufacturers

3K Borg Warner, Holset, Mitsubishi, IHI, Garrett enable us to provide the very best standards of assistance and immediate supplies throughout Switzerland.

Our customer base stretches from major importers to leading spare parts and area dealers covering a range of different vehicle makes.

Thanks to a specifically equipped workshop and skilled personnel, our Balerna facility is able to provide an exchange programme for all makes or overhauling of your faulty turbocharger, always using strictly original spare parts

1 Turbo K27 with watercooled turbine housing

2 Turbo K14 for passenger cars

3 Turbo K42 for marine engines

4 Turbo K31 for commercial vehicles

5 Turbo K03 for a 1.8 gasoline motor

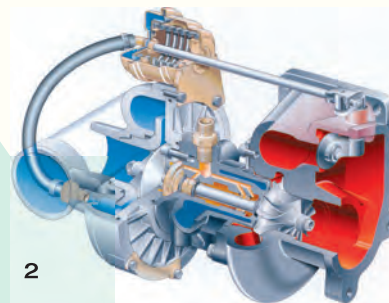

6 Turbo K16 for high-performance gasoline engine (biturbo)

7 Turbo K27 for Truck engines

Our sales staff and our representatives are at your complete disposal for any information you may require or to do a house visit.
